ALL-TEST PRO 31™ MCA™ Instrument

End of Support as Of March 31, 2021

The first generation of the ALL-TEST PRO 31™ (AT31™) was released for sale in 2000. Thousands have been sold worldwide and helped establish ALL-TEST Pro, LLC as the leading provider of light weight, portable, handheld instruments for field testing of electric motors and other coil-based equipment.

The AT31™ was replaced by the ALL-TEST PRO 33 IND™ (AT33 IND™) which was introduced in April 2011. We then launched the AT34™ in June 2019. These MCA™ instruments provide our customers with significant improvements over the original AT31™.

We are ceasing support on the AT31™ instrument and software on March 31, 2021.

Condition Calculator™ is compatible with 64-bit Windows 8 and 10 operating systems. There will be no future updates to the AT31™ computer software products.

The current instrument today that replaced the AT31™ is the AT34™

Repair Options- No repair options will be available for the AT31™.

Upgrade Options- Until the end of 2021 ALL-TEST Pro will offer the following trade in program.

- **\$200.00** USD for a **working or nonworking** AT31™ towards the purchase of an AT34™ with or without MCA Software.
